### March 2020

---

#### Big Data Legal Analytics: The Future of the Data-Driven Lawyer (<https://law.stanford.edu/event/codex-lunchtime-speaker-event-daniel-lewis/>)

**March 3 @ 12:45 pm - 2:00 pm**

@ SLS: Room 180, Crown Quadrangle 559 Nathan Abbott Way

Stanford Law School, Room 180 This event is free and open to the public. Lunch will be provided. If attending remotely access info will be sent prior to event. Daniel Lewis will discuss legal practice as we enter the era of big data legal analytics, and the future of the data-driven lawyer. Daniel is co-founder and CEO of Ravel Law. A legal research, analytics, and visualization platform, Ravel combines legal knowledge, machine learning, and comprehensive caselaw with an aim...
